[Orient Express Trips—Reliving The Legendary Ride](#)

If you have even a passing interest in the topic of Orient Express Trips, then you should take a look at the following information. This enlightening article presents some of the latest news on the subject of Orient Express Trips.

For those who have already read about the murder mystery novel written by Agatha Christie, there is no doubt that you will obviously associate the Orient Express trips with it. Imagine being on board that famous train at the turn of the century. You will be wearing the same European clothes while traveling along with the political heads of the state, aristocrats, and even the royalties. These people were the ones who were able to afford the train tickets at that time.

Alright so the Orient Express train has been an integral part of the European life which up to now continues to boost the continent's tourism. And yes, only a few people are aware that the same train continually operates up to these days. Well, to make things clear, the authentic rail cars managed by the Wagons-Lits have been auctioned but someone took over and restored many of the original trains. To date, a lot other privately owned companies run the trains that capitalize on the popular name of the Orient Express.

A Quick Look Back to its Past

It has been 120 years back to history when the luxurious train line first maid its maiden voyage from its original end points, Paris to Istanbul. The very first train service got inaugurated in the year 1883 with the initial routes namely from Paris towards Giurgi which was situated on the Danube, Romania, then through Strasbourg, Vienna, Budapest, then finally to Bucharest.

The Orient Express trains maintained its operation until May 1977. Sad to say, the train's final run was only made up of a scruffy sleeping coach plus the three day cars.

The information about Orient Express Trips presented here will do one of two things: either it will reinforce what you know about Orient Express Trips or it will teach you something new. Both are good outcomes.

New Owner and New Look

There was one rail aficionado and businessman who thought of saving the business. He was James B. Sherwood who took the initiative to buy two train carriages during the auction held in Monte Carlo. Through the years, Sherwood shelled out cash amounting to more than \$16 million or so for the purchases, locating, as well as restoring about 35 vintage sleepers, restaurant cars, and the likes.

It was on the 25th of May when finally a new look of the Orient Express train was embodied via the Venice Simplon Orient Express. Thus, the journey of another promising long running Orient Express trip was revived. Its maiden voyage ran from London to Venice.

These days, the Venice Simplon Orient Express provides another exhilarating ride to those who pay a visit to the European countries. It runs on several routes that never fail to amaze and excite travelers of all ages. The trips are nonetheless the reflections of the conventional bygone era.

A visit to the most exciting European cities such as Budapest, Paris, Istanbul, London, Prague, Venice, Rome, and Vienna will be incomplete without trying the legendary train ride. In fact, tour packages are likewise provided by the company.

Nevertheless, the Orient Express trips perfectly suit travelers who are on their way to Europe in search for adventures. So, what are you waiting for?

Those who only know one or two facts about Orient Express Trips can be confused by misleading information. The best way to help those who are misled is to gently correct them with the truths you're learning here.
