Orient Express Trips—Significant Instructions Passengers Should Know

Since its maiden voyage in the year 1883, the Orient Express trips from two of its original end points Paris and Istanbul had boiled a lot of intrigue, controversy, scandal, debauchery, and of course adventure. To many people, the train line is more than scandalous and infamous. Yet, what can't be denied is the fact that opulence, comfort, and elegance were also the principal factors that lured most well-off passengers to board the train and get them to their destinations. The heads of the state, the aristocrats, as well as the royalties were the usual people who rode the Orient Express along with other people who had the means to afford the ticket. Hence, for several decades, the high-end train had become a vital part of the European lifestyle.

There came a time for the business to drop and a new owner took over when he bought two of the authentic railcars from an auction in Monte Carlo. Mr. James Sherwood then painstakingly looked for the other rail cars and restored them until such time that the new Venice Simplon Orient Express signaled its inauguration journey. The train line has then continued to serve people in Europe to date.

Now, if ever your feet take you to the European continent, it is a must that you try one of the most promising Orient Express trips. Plunge into the romantic era of plush rail travel. Feel the romance. Feast on the finest food and tastiest wine. Enjoy nature at its level best. True enough; the train has so much more to provide you with. And take note, these are but solely furnished to you by no other than the Orient Express!

Securing Your Train Ticket

Getting a ticket to board the Orient Express train is fairly easy. Day tour packages are nowadays available along with several other offers. Just pick the destination of your choice. Venice Simplon Orient Express is a privately owned train line that travels across four continents namely Europe, Australia, Asia, and North America. Hence, you have more choices and tons of opportunities to learn about the culture and tradition of these places.

Is everything making sense so far? If not, I'm sure that with just a little more reading, all the facts will fall into place.

Then, decide on the route that you want to take. There are routes which are offered one way. However, there are tour packages that provide two-way routes depending of course on the continent where you want to travel on.

The fare charges are computed on a per person basis. The sleeping coaches are also usually based on double occupancy. There are of course private compartments available but you will have to shoulder the additional fees.

You will never go hungry during your entire ride as meals, coffee, tea, and a myriad of gratuities are already included.

Book your trip either online, that is via the official website or through that of a travel agent with whom you can discuss your tour itineraries. It is usually wise to include a travel agent when planning a trip abroad so your trip will be hassle-free. Apart from the train ride, he or she will arrange your airline flights and hotel bookings.

So, ride a living legend now. You see, the Orient Express trips are truly exceptional!
