[Xbox 360 Racing Games: The Best Games for All Racing Fans Out There](#)

As a racing fanatic, you often wonder what it would be like to be behind the wheel on one of those high powered cars. You may have seen street racing movies and you want to feel the thrill of illegal street racing or you may also be a race fan of legitimate races, such as NASCAR or F1. Whatever it is, you will see that there are quite a lot of racing games available for Xbox 360.

And, if you really want to know what these racing games are all about, you might want to start purchasing the Xbox 360 along with some of the popular racing game titles available for Xbox 360.

If you love the idea of illegal street racing and cop chases, then you may want to try to get the Need for Speed Most Wanted. This game is not just about racing, but it's all about customizing the car to make it even more stylish and perform a lot faster. In Need for Speed Most Wanted, you will be able to go head on with your rivals and make your way up to the number one spot in the blacklist.

Combined with a thrilling police chase, you can be sure that you will have non-stop action when you play Need for Speed Most Wanted in your Xbox 360. The realistic graphics and physics, you will definitely feel the need for speed with this game.

Another popular racing game title for Xbox 360 is Burnout Revenge. This is considered to be among the best racing games ever created. Here, you will be able to experience high speed racing at its finest. Easy to control and play, you can be sure that you will have fun for many hours playing this game.

If you base what you do on inaccurate information, you might be unpleasantly surprised by the consequences. Make sure you get the whole Xbox 360 story from informed sources.

If you are in to stock car racing, then you will find the NASCAR 08 for Xbox 360. Experience racing in Daytona and become the champion of the NEXTEL Cup series.

You will see that racing games for Xbox 360 has special controllers that you can purchase. These controllers resemble that of a steering wheel complete with gas and brake pedals and even gear shift buttons.

With the steering wheel, you will be able to really experience what racing is like.

Another Xbox 360 racing game is titled the Midnight Club. Today, this is one of the best Xbox 360 racing games of all time and the DUB edition features a lot more cars and also a lot more customization options. The Need for Speed series are also developing and releasing more games that is available for Xbox 360. It includes Need for Speed Carbon, Need for Speed ProStreet, Need for Speed Undercover, and the Need for Speed XIII which is due to be released in 2009.

The Xbox 360 racing games are one of a kind as it combines everything about real life racing. The behavior of the car is realistic as well as the graphics. They also provide live action with the game and a fantastic storyline that will keep you glued to your seats for hours.

So, if you are a racing fan, you might want to get the Xbox 360. The mentioned game titles are only a few of the many racing games available for Xbox 360 today and it is still continuing to grow.

Now you can understand why there's a growing interest in Xbox 360. When people start looking for more information about Xbox 360, you'll be in a position to meet their needs.
